

THEREC

THEREC CORPORATION LTD.

THEREC ENGINEERING & CONSULTANT CO.,LTD.

TRT FACTORY CO.,LTD.

Company profile

The 20 Years Old Energetic Companies

COMPANY PROFILE

THEREC CORPORATION LTD. starts since 22 years ago(1996) by being sole agent of high pressure blower, Rotary & Diverter valve and some others pneumatic conveying system components from Europe & USA.

Our first work shop and office was in Bangbon together with our sister company / **Siam Complex Technology Co., Ltd /SCT** , who is the specialist in food processing engineering turn-key project

Four years later we have start to build up our own first work shop to fabricated many parts of our product instead of 100% import as the beginning

For many years past we are now a day, have been separated in to 3 groups of activity in 3 companies and 3 workshops in Bangbon Bangkok, Sainoi Nontaburi and Nikompattana Rayong.

I. Therec Corporation Ltd./ TRC since 1996

Doing business in sale and service for bulk handling valve and high pressure blowers, both the imported and in house manufacturer items under the brand **TRC**

For sales and service bussiness, we are the distributor for the imported product in 2 cataglories.

1. Bulk Handling Machines and Components

- Rotary and divertor valve / **DMN, westing house** / Netherland & Germany
- Isolated valve for dust explosion protection / **ATex** /Germany
- Explosive pabel ,**STIFF VIGILEX** / France
- Tube ,bends and coupling ,**Morriss** /USA
- Flexible conector, **BFM Fiiting** / Newsealand
- Flexible hose & floor clening kit for vacuum cleaning system, **Flexaust** /USA
- Grinding , Drying and Mixing machine ,**HOSOKAWA MICRON**/ JAPAN

2. High pressure Blower and Vacuum Pump

- Roots blower and Vacuum pump, **Howden Roots** /USA (Thailand Exclusive Distributor)
- Ring Blower ,**FPZ** / ITALY (Thailand Exclusive Distributor)
- Multi-stage centrifugal blower ,**SAVIO** / ITALY (Thailand Distributor)

For manufacturing business, we are the maker many products in the bulk handling which could be divided in 3 categories .

1. Bulk Handling Vales and Components

- **Rotary valve** from size 4.0 " to 20" Mainly in stainless steel and hard chromed carbon steel version for food ,chemical and some other special application in others industry. Powder type, Pellet granular type, Quick release, Easy clean, High temperature, Air-Gas purge shaft seal
- **Diverter valve**, Fill Vent valve, Scale Valve, 3.0" to 12.0"
- **Lump breaker**, Lump Crusher, Coarse Grinding Machine for food and chemical industry
- **Quick release, easy clean screw conveyor** for food industry
- **Self aligning flange** for pneumatic conveying system for food application

2. Bulk Bag Handling Machines

- **Bulk bag unloading station**, dust free application
- **Bulk bag filling station**, automatic control, and friendly use, with precisely weighing system, from easy unit with the capacity from few bags /hr to high speed version with capacity of 100 bag/hr

3. High pressure blower engineering package & component

- **Engineering package blower set**
- **Acoustic enclosures**
- **Sound proof silencer**

General product TRTT02 / 2016

III. **TRT Factory Co., Ltd./ TRT** since 2014

Separated from the production division of **TRE&C**.

Doing business in design, fabrication for stainless steel and some specified carbon steel work, mainly in.

- **Stainless steel Tank, Silo and Hopper**, for food, chemical and petrochemical industry
- **Stainless steel mixing tank** for food and pharmaceutical industry
- **Stainless steel and Carbon steel, Bag filter and Cyclone** for food, chemical , petrochemical and some construction industry
- **Stainless steel work**

Design, Manufacture and Installation

รับออกแบบ ผลิต และ ติดตั้ง

**Stainless Steel Tanks , Silo and Hopper
For Food , Pharmaceutical
and Other Industrial Product**
